

### After School Program / 7th Period Class

At Tokyo West International School (TWIS), we always strive to provide more learning opportunities through various events and one of these is the after-school program. We believe that providing children with additional activities will bring them several benefits, such as:

- Improve their social and emotional skills
- Provide them with more academic language support
- Build confidence
- Boost new talent
- Motivate learning in a fun way.
- Etc.

Our after-school program at TWIS will be held every Tuesday, Wednesday, and Friday from 15:30 ~ 16:30.
