

School Sponsored Activity

EVENT	DESCRIPTION
Field Trip (year round)	During the year, students will have a field trip visiting some places related to the unit topics. Field trips give students an opportunity to explore the outer world. During a field trip, students encounter the active hands-on experience with rich resources in the local community. ※Additional fee will apply
Open School (twice a year)	School will provide the opportunity to the parents to come to the school. The open house gives parents and students the chance to get acquainted with the teacher, see the school building and classroom, and even the opportunity to express parent's concern and child's needs. School will hold the open house twice a year (once for each term).
The Parent Teacher Conference (Twice a year)	Parent teacher conferences are the time to speak to teachers about your child after receiving their report card for each term.
Professional Development (PD day) (every month)	During the PD day, students will have school day-off while teacher and staff will come together to develop their knowledge and skills to implement in their class. PD days will happen several times throughout the school year.
International Day (New event: July 2023)	This is a new event that will start from the 2023-2024 academic year and will be an upgraded event from Yukata day. This event aims to bring the school community together for a day of sharing different cultures and traditions. Through the event, we hope the students come to appreciate the diversity that Tokyo West International School always values.

Tokyo West International School

Grandparents and Special Friends Day (September 2023)	Every year, school will host this event and students are encouraged to invite their grandparent and special friend to spend some time inside of the classroom. During the event, we hope that the students will have a memorable occasion to remember for years to come.
Sports Day (October 2023)	Our school will also hold sports day annually. It is an occasion where pupils, teachers, and parents come together for a day of competitive sport. However, we will separate the schedules for grade school and kindergarten students for their safety.
Harvest day/Halloween day (October)	Tokyo West International School (TWIS) celebrated halloween/harvest day by dressing up in various costumes. This day will be spent by having various game activities, treats, and costume contests. During the day, different faces and clothes were seen everywhere and some of them barely recognized. This fact informs us that everybody gives their best for this event.
Thanksgiving day (November)	Our school has this event to celebrate all blessings of the past year. This day is celebrated to acknowledge family, friends, and loved ones for their presence and support in their life. On the day, we serve roasted turkey to all our school community including students, teachers, and staff. Through this event, we also make this an opportunity to learn about history and appreciation.

<p>Overnight trip (Once a year: December 2023)</p>	<p>At the end of each year, the grade and middle school students will take part in an overnight trip within Japan. <i>Overnight trips will help students to develop an understanding of the natural world and gather direct experience that will enable them to integrate their learning into the wider world. This will also help the school to implement our UOI program.</i></p> <p><i>(This is a part of the school curriculum & Additional fee will apply)</i></p>
<p>Heart Global (Once a year, February 2024)</p>	<p>Every year TWIS will hold a three day music and performance workshop for the grade and middle school students. The school will invite the cast from 'Heart Global US' to come to Japan and provide two days of music and dance practice to the students. Then, on the last day, students will perform in front of parents, teachers, and other school staff.</p> <p><i>(This is a part of the school curriculum & Additional fee will apply)</i></p>
