

2024 TWIS Kindergarten Scholarship

☆ Purpose of the Scholarship

To support children with exceptional talent and a desire to learn in an international environment, but who have difficulty entering school due to the financial circumstances of their families.

☆ Scholarship Program

Exemption from the entrance fee, 50% subsidy of tuition for one year (annual examination is needed for renew.)

We plan to offer scholarships for 3 students in 2024 academic year.

(TWIS Kindergarten has been issued a certificate of compliance with the standards for guidance and supervision of unlicensed childcare facilities and is eligible to receive subsidies under Japanese the Free Childcare System. The total burden amount of each family will be approximately 50,000-100,000 yen per student per year.)

☆ Eligibility for application

- ① Families with an annual household income of less than 5.9 million yen
- ② Students were born between April 2, 2019, and April 1, 2022.
- ③ Students should pass the TWIS entrance examination or are currently studying in our school.

☆ Selection method
